A MODEL whose video of Justin Bieber asleep swept the internet revealed yesterday how the pop brat wore her out during a night of passion.

Brazilian Tati Nevas, 27, said of the teen: "Take it from me, he's well endowed – and very good in bed."

Blasting claims in her homeland that she is a transsexual hooker, she said: "A man must know what to do to make me happy – Justin did all that and more."

She told how she was at a party thrown by Bieber, 19, at his rented villa in Rio, where he was performing, when he told everyone bar her to leave.

Tati, who is separated from her hubby and has a five-year-old daughter Sophia, said the Baby singer then led her to bed.

She said they made love twice. She added: "It was one of the best moments in my life. It was marvellous and unforgettable."

"He has quite a fit body and he looked great naked." She left next morning – only to get a phone call from Bieber begging her to return. Tati was tempted but confessed: "I didn't – because I was exhausted."

"I just didn't have the strength. Justin has so much stamina."

The tattooed brunette lifted the lid on the party – where Bieber insisted on playing his own music – after he was snapped being smuggled out of a Rio brothel with a bedsheet over his head.

Workers at one vice den claimed he wanted to take eight hookers to his villa which would have cost £11,200. Two were said to have left with him and later pointed him in the direction of a

ear. He said, 'You're not in a hurry tonight are you?' Bieber – whose clean image has been rocked by wild behaviour – later joined her as she sat by the six-bed villa's pool.

The model, who has posed nude for a Brazilian lads mag, told how he "stripped down to his underpants" and jumped in. She said: "He only had eyes for me. He said, 'Mmm, I'd love to see you in a bikini!'"

Tati cheekily asked him as they danced to put something else on the stereo. Bieber told her: "No, I don't like other types of music."

Hours later he asked everyone to leave – and took her to bed.

Tati insisted: "It wasn't me that posted the video. I was still in bed with Justin when my friend texted me to say, 'Oi amiga, where are you?'"

"I texted back, 'I'm here in bed cuddling up to Justin Bieber.'" The girl pal did not believe her – which she says is why she filmed him.

Tati, who fled to Sao Paulo after the clip hit the web, said: "The video was just for her eyes only. I am really angry with her." Last night Bieber's aides refused to comment.

They wrecked cop barricades trying to get in – and were so tightly packed hotel staff lifted some to safety in Buenos Aires, Argentina. Justin, who was at

a gig venue, urged on Twitter: "Calm down and respect the police. We don't want anyone hurt."

After Hotel Faena chiefs sent him packing, other nearby hotels also turned him away over his fans. He was turfed out of a hotel in Rio, Brazil, last week.
